2005 PIKES SBS

Colour: Brilliant light green

Aroma: Absolutely fresh aromas of tropical and stonefruits with a hand full of stinging nettles thrown in for good measure. Perhaps also a touch of citrus and mineral showing

Palate: The palate is wonderfully fresh and vibrant with excellent balance between fruit and acidity. Really does make a beautiful fresh drink for our warmer months. Perfect over the next couple of summers.

Summary: Perfect over the next couple of summers. Great with Prawn risotto. Serve well chilled.
