

## 2008 “VALLEY’S END” SAUVIGNON BLANC/SEMILLON

Colour: Brilliant pale green.

Aroma: Very attractive, subtle aromas of tropical fruit, passionfruit and a little citrus with some secondary notes of nettles and mineral. Not in your face at all.

Palate: More of the same on the palate with the soft tropical fruit flavours being balanced nicely by the crisp acidity and delivering a clean, dry and persistent finish.

Summary: A brilliant accompaniment for some spicy Asian/Indian food or for sitting in the weekend sun whilst reading the Saturday papers. Drink this over the spring/summer months.
