2008 'EASTSIDE' SHIRAZ

- Colour:** Deep red - almost black
- Aroma:** Super ripe blueberry, plum and blackberry Shiraz fruit with some dark chocolate and licorice notes as well. These are all complimented nicely by a touch of charray French oak somewhere in the mix.
- Palate:** The palate is soft and powerful with flavours of blueberry, plum and charray oak overlaying a core of dark chocolate running through the mid palate. Silky tannins on the finish adds length and a little structure to the ripe, plush fruit.
- Summary:** A lovely example of Clare Valley Shiraz. No problem in enjoying this as a youthful wine, but as usual 4-7+ years will see some development occur in the wine and amply repay those like more complex aged characters in their reds.

TECHNICAL NOTES

- Alcohol:** 14.5% Alc/Vol
- pH:** 3.43
- Tartaric Acid:** 7.07 g/L
- Residual Sugar:** 1.75 g/L
