

2006 “The Hill Block” Cabernet

Appearance: Medium to deep red colour.

Aroma: Very fragrant and typical aromas of blackcurrant, violets and fine tobacco backed up by some “cedary” French oak and chocolate notes. The small percentage of Cabernet Franc adds perfume to the blend.

Palate: Rich, elegant and layered with ripe dark fruits, chocolate and very fine tannins. Very stylish.

Summary: From our oldest block of vines – planted with Cabernet Sauvignon and Franc. Always a more elegant and fragrant wine than a blockbuster, but in no way diminishes it’s quality. Will take 5 -10 years in the cellar easily.

TECHNICAL NOTES:

Alc/Vol 13.0%, 3.58 pH, 6.18 g/L Acid.

20/8/07
