

## 2010 “The Merle” Riesling

Colour: Brilliant pale green.

Aroma: Pure, but delicate citrus notes of lemon/lime/grapefruit with a twirl of our regional “slatey” mineral character evident.

Palate: Delicate, subtle and dry with vibrant lemon/lime flavours tightly woven around a core of slate/mineral acid that provides length and texture to the wine.

Summary: A really good wine from a challenging year due to the early harvest date. Again a great expression of Riesling from our vineyard at Polish Hill River. It has the potential to cellar for 8-10 + yrs safely bottled under the screwcap closure.
